Living the Gospel by supporting the Deaf community

Imagine you were a Deaf child and your parents and siblings didn't know sign language. Your parents could gesture in a rudimentary way, but how do you share your joys, fears and needs? Silent Voice teaches American Sign Language and Deaf culture to families so they can share a common language. Says one grateful parent, "I'm so passionate about Silent Voice because their Family Communication Program rescues children from social isolation." Last year more than 750 Deaf children and adults received help through ShareLife-supported programs at Silent Voice.

April 22, 2018 is the next ShareLife Sunday
Please give generously.

Prova ad immaginare di essere un bambino sordo e né i tuoi genitori né i tuoi fratelli e sorelle conoscono la lingua dei Segni. I tuoi genitori potrebbero provare a farti capire a gesti, ma come potresti comunicare le tue gioie, le tue paure e le tue necessità? Silent Voice insegna alle famiglie l' "American Sign Language" (la lingua dei Segni) e la cultura dei non udenti per permettere loro di comunicare con una lingua comune. Come ci dice un genitore, "Sono così entusiasta di Silent Voice. Il loro programma di comunicazione in famiglia (Family Communication Program) salva bambini dall'isolamento sociale." L'anno scorso, oltre 750 bambini ed adulti sordi sono stati assistiti dai programmi di Silent Voice finanziati da ShareLife.

22 aprile, 2018 è una domenica di ShareLife.
Per favore, dona generosamente.
