#### Living the Gospel through immediate mental health services

Mental health problems can escalate if not addressed quickly. That's why the five Catholic Family Services agencies in the Archdiocese of Toronto now offer walk-in counselling. This initiative can often meet clients' need without requiring longer term counselling. Clients report a clinically significant increase in confidence that they can tackle their problems. By supporting ShareLife, you're helping restore hope to those in crisis.

Easter! Resurrection and new life; a new life shared from an earthen tomb. This has been the meaning of life for Christian people for two thousand years. There is nothing more secure, nothing more lasting. Come and share the thrill of proclaiming this truth through your life as a priest, religious or deacon. Contact Fr. Eugene if you think God is calling you to the religious life.
