Living the Gospel by supporting mental health wellness...

In 2016, over 2,000 people accessed individual, couple and family counselling at Catholic Family Services of Peel-Dufferin, a ShareLife-funded agency. Often, clients sought help to address depression. Given that depression has replaced back injury as the number one reason for absenteeism at work, these services are helping clients maintain employment and stay out of poverty. By supporting ShareLife agencies like CFS, you're helping people find health and happiness.

May 27 is the next ShareLife Sunday.

Please give generously.

Nel 2016 oltre 2000 persone hanno usufruito dei servizi di consulenza della Catholic Family Services di Peel-Dufferin per individui, coppie e famiglie. L'agenzia, finanziata da ShareLife, è spesso contattata da persone con problemi di depressione. Constatato che la depressione ha sostituito il mal di schiena come la causa principale di assenteismo dal lavoro, gli interventi offerti dall'agenzia contribuiscono a proteggere il posto di lavoro del paziente ed evitare che questi finisca in stato di povertà. Sostenendo le agenzie di ShareLife come la CFS, aiuti tante persone a stare bene fisicamente e psichicamente.

27 maggio, 2018 è una domenica di ShareLife.

Per favore, dona generosamente.
